

## **UTS NORTHERN SUBURBS ATHLETIC CLUB** **ANNUAL AWARD CRITERIA - 2022/23 SEASON**

The following document sets out the annual award nomination and award winner criteria for the 2022/23 season.

The usual period of the awards is the athletic season 1 April to 31 March. However, this year the awards will go to 16 April 2023 to include results from the Junior National Track and Field Championships in Brisbane.

Nominations for each category are based on the following criteria as selected by the Awards Panel. The selection of the winners is also decided by the Awards Panel. The Awards Panel consists of previous elite athletes, committee members and coaches. There are currently 5 members of the Awards Panel. Input is gathered from all UTS Norths club coaches on athlete performance through-out the whole year.

For all Best in Age Group awards, nominees must achieve a minimum of 1 of the top 3 criteria mentioned. IAAF points and/or representative team selection will be considered. If no athlete achieves the minimum criteria in any age group, that award may not be presented.
